Scores & Re-Testing

Re-Testing

In order to retest all or parts of the NC DAP, you must demonstrate completion of either a pre-curriculum course, a practice test, or a [Student Learning Center](#) workshop. Students may not retake the assessment while enrolled in a DMA or DRE course until after the 90% point of class.

Students who plan to challenge a curriculum level course must contact the Department Chairperson of the appropriate department to request a Proficiency Exam.

Proficiency Exams are given under the following conditions:

- A student passes a preliminary screening given by a Department Chairperson.
- A student registers for the course in order to take a Proficiency Exam.
- A student completes a Proficiency Exam within the first four class

days of the semester.
