Accept My Loans

If you need additional assistance to fund your education, applying for loans is easier than ever. FTCC automatically provides an estimate of the maximum amount and type of loan(s) that you are eligible to receive.

Important Loan Information

Before accepting a loan, please read and understand the following:

- Loans accrue interest and must be paid back.
- You are under no obligation to use a government loan.
- Even if you accept a loan, there are six things that you must do to receive a disbursement:

1. Confirm that your high school transcript, GED or Adult High School Diploma is on file.
2. Confirm that your program of study is [eligible for Financial Aid](#).
3. Login to [WebAdvisor](#) and check “My Documents” to ensure you have submitted all supporting documentation.
