Disability Support Services

FTCC is committed to offering equal access to students with disabilities. Support services are provided for all students (day, evening, and online) with physical, psychological, or learning disabilities, but it is the responsibility of the student to request accommodations and provide appropriate documentation of the disability.

Steps to Request Reasonable Accommodations

Applying to Fayetteville Technical Community College and registering with the Disability Support Services Office are two separate processes.

1. Visit the Disability Support Services Office to pick up an intake packet. Our staff will explain how to complete the packet and the requirements for current disability documentation.
2. Students may request an electronic copy of the intake packet by calling (910) 678-8349 or by email to golsteym@faytechcc.edu.

nancec@faytechcc.edu

3. Students must submit the completed intake packet, current disability documentation, current class schedule and a copy of their student ID to the Disability Support Services Office.
4. Once all paperwork and disability documentation has been received, the student will be contacted to schedule an appointment with the Disability Support Services Coordinator to discuss their specific needs and requested accommodations.

In compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), the College does not exclude otherwise qualified persons with disabilities, solely by reason of the disability, from participating in College programs and activities; nor are persons with disabilities denied the benefits of these programs or subjected to discrimination.
