

Gainful Employment

[HOME](#) / [ABOUT FTCC](#) / [GAINFUL EMPLOYMENT](#)

Gainful Employment Programs

Federal regulations require institutions to report certain information about Title IV eligible certificate or diploma educational programs that lead to gainful employment in a recognized field. Although all FTCC programs are designed to lead to employment or college transfer, the Department of Education requires that we disclose information on the following programs. For programs with less than 10 graduates, financial and program completion information is not provided.
