Campus Parking

An FTCC parking permit is required for all students, staff, and faculty that park a vehicle on campus.

Where to Park

A legal space to park is defined as an area marked with two white lines, two yellow lines, or yellow and white lines spaced far enough apart to allow a vehicle to park safely between. Areas that have a line on one side and a curb on the other are considered to be a legal parking space. Motorcycles may be parked in the yellow hash marked lines of any parking lot.

- **Faculty/Staff:** Yellow Lined Areas
- **Students:** White Lined Areas Only (*Do Not Park In Visitor Spaces*)
- **Visitors:** Yellow Lined Areas Marked as Visitor Spaces or White Student Spaces

ID Cards

FTCC student ID cards are processed in the Student Activities Office during registration and regularly posted hours. This card must be validated for the current semester and be carried at all times while on campus.

ID cards are presented for access to FTCC facilities and services to:

- Check out library/media materials
- Provide campus security
- Secure parking permits
- Participate in SGA-sponsored events

A lost or damaged card should be returned or reported to the Security

Office as soon as possible.
