### Student Activities

College is more than attending class and taking tests. The network of connections you create can serve you well into your professional career. Learn about how to get involved on campus through the Student Government Association (SGA), clubs and organizations, intramural sports and campus events.

### Student Government Association (SGA)

Join us for a general council meeting and let your voice be heard! The SGA is an opportunity to

develop leadership skills, serve your fellow students, and make an impact at FTCC.
