Welcome to Career Coach!

Career Coach is designed to help you find a good career by providing the most current local data on wages, employment, job postings, and associated education and training.

Search careers or [browse all careers](#)

Search for a career or job title and Career Coach will give you relevant data on wages, employment, and training.

Enter your degree or [browse all degrees](#)

Enter a degree you're interested in and Career Coach will show you careers that you are well suited for.

Have a military background?

You can enter your MOC (military occupation code) and Career Coach will match it to similar civilian careers.

Not sure where to start?

Take a quick, 6 question test and Career Coach will give you career suggestions based on your interests.
