Folks,

Per the attached PDF ( bottom 2 paragraphs in the left corner et al.), the NC CPA Board no longer approves of CPE sponsors.

The way this worked in the past was that the NC CPA Board approved of individual sponsors. Consequently, any course that the sponsor developed was automatically approved for CPE credit.

With this change, the NC CPA Board will only approve individual courses for CPE credit.

This is not a reflection on anything that we, at FTCC, have done or failed to do; this is just a change in the rules as they apply to CPE sponsors.

Accordingly, the statement on page 9 in the bottom right corner of the FTCC College Catalog 2013-2014 is no longer valid. This change may also affect other college documents.

Thanks !
