Competitive Admissions Process

With the exception of the [Mammography](#) and [Nurse Aide](#) programs, all health programs require a competitive admissions process. A student must complete all pre-requisites and gain competitive points in order to apply for program approval. You may take courses at FTCC in the [Associate in General Education](#) program as you prepare to compete.

Applications Accepted: November 1st through January 30th

Phase 1

2. Attend a Health Applicant Counseling Session
 - o Sessions are held in the Health Technologies Center (HTC) 151
Bring your Student Education Plan, paper, and a pen Do not bring children due
 - o to space limitations
 - o

Phase 2

1. Apply to your health program of choice in [WebAdvisor](#).
 - o Under the Registration Section
 - o Select "Student Health Program Application"
 - o Ensure all personal information is correct
 - o Choose your desired health program from the drop-down menu
 - o Submit the application
 - o *Note:* You can only apply for one health program.
2. Print the receipt provided and keep it for your records.
3. Monitor your student email for further communication. (Look for your Health Applicant Rating Form in mid to late March.)
4. Attend a mandatory Health Program Information Session.

Selection

Each program has a competitive points worksheet that outlines the potential points a candidate can achieve. During the selection process, Category I applicants will be placed in order of most points followed by Category II applicants. A program will accept the top students based on the number of available seats.

Notification

In May, applicants will be notified by student email of their status: Selected, Alternate, or Not Selected.

Phase 3

If a program does not fill to capacity, the admission process for that program may be re-opened.

Student Advising

If you have any questions about the admissions process or need assistance, a health counselor is available in the Health Technologies Center (HTC) in room 202. You may also contact
