--	--	---

I hereby authorize the release of all information pertaining to my involvement with the FTCC High School Connections program to Cumberland County High School officials (or other pertinent high school officials) and to my parents/legal guardians upon their request. I also certify that I will not have graduated from high school prior to the start of FTCC classes.

Student Signature: _____ Date: _____

Additionally, I hereby authorize FTCC to photograph my child and use his or her image and likeness for any and all purposes associated with FTCC's marketing of the High School Connections program, including but not limited to social media and the HSC webpage. I understand and acknowledge that any such use of my child's image and likeness shall be made without any remuneration to me, my child, or the high school. Finally, I understand that I may revoke this authorization at any time by sending a written notice to the High School Connections program. **To DENY authorization for your child's photograph to be used, check here:**

Registration Notes

Scheduling Information

Classes listed on the front side of this form will generally run four or five days a week between the hours of 1:00pm and 2:50pm. See the CCS Course Selection Guide or visit our website for more information.

High School Connections classes will be denoted at FTCC with a section number of "5H0#", which indicates that they are for high school students ONLY and will follow the Cumberland County Schools calendar for the 2015-2016 year.

Students who complete a CTE program as designated on this enrollment form and meet the program's graduation criteria will be eligible to graduate in one year's time, with two exceptions:

* Indicates a course or program that will require the student to have additional class(es) with the general adult population at FTCC ("concurrently"). These classes will follow the regular FTCC schedule and will not honor most CCS holidays. Students wishing to enroll in a concurrent class will need to select their courses from FTCC's published Course Catalog each semester. Programs that are offered entirely concurrently include: Welding; Electricity, Motors & Controls, & PLC; and Automotive Suspension, Brakes, & Heating A/C.

** Indicates a CTE program that will take two years to complete. Only students completing both years will be eligible to graduate from FTCC with a certificate.

Registration priority will be ranked by grade level (seniors first) and then by high school GPA.

Transportation

Transportation will be provided to FTCC from each Cumberland County public high school and back again, pending sufficient enrollment. Students are asked to indicate on their enrollment form whether or not they plan to utilize this service for 2015-2016.

Cost to the student/family:

All students will be expected to pay for their own textbooks and supplemental course materials (uniforms, tools, etc where applicable). Private and home school students will also pay an activity/technology fee of \$30.00 per semester; for public school students, this fee is covered by CCS.

Continued eligibility

Students enrolled at FTCC through the HSC program must maintain a college GPA of 2.0+ to continue. Students who fall below a 2.0 will not be allowed to continue taking college courses while in high school.

WHEN IN DOUBT: Always check our website for the most up-to-date information!

http://www.faytechcc.edu/highschool_connections/index.aspx

Note to registering counselors:

Please do not write in the "office use only" space. This is for use at the HSC office only. To submit a complete enrollment packet, please make sure you have included a student's FTCC application confirmation page, high school transcript, passing test scores (if applicable), and GPA waiver letter (if applicable for CTE programs ONLY). An enrollment form is only required ONE TIME per academic year (fall/spring/summer); after initial submission, a Drop/Add Form may be used to make changes.
