Steps to Apply to Fayetteville Technical Community College

HOME / APPLY NOW / RETURNING STUDENTS

A returning student is a former FTCC student returning to school after an absence of two consecutive semesters or more and plans to complete a degree, diploma, or certificate, or plans to take 12 or more credits to transfer to another school.

### Steps To Apply

## 1. Getting Started

The video player displays the FTCC logo in the top left corner. A navigation menu is visible on the left side, listing various topics such as 'Getting Started', 'Learning Objectives', and 'Returning Students'. The main content area features a list of steps: 'Completing your application', 'Choosing...', 'Submitting transcripts', 'Placeme...', 'Finan...', 'Completing Orientation', and 'Paying for classes'. A large yellow play button is overlaid on the list. To the right, a woman in a light blue shirt and black pants stands next to a sign that reads 'What you will learn about...'. The video player includes standard playback controls at the bottom, such as volume, play/pause, and navigation buttons.
