Combined Course Library

The Combined Course Library allows you to search through all of the Curriculum and Continuing Education courses offered by the NC Community College System.

Curriculum Course Search

Curriculum courses are included in programs which range in length from one semester to two years. These programs lead to certificate, diplomas or associate degrees.

Continuing Education

Continuing Education courses are short-term, noncredit offerings designed to provide education and training opportunities for individuals seeking to gain new and/or upgrade current job-related skills.
