Hello [REDACTED]

Reason: The FTCC Student Code of Conduct (12)

I am a student enrolled in the PN Program. I was accepted in May 2014 with the exception of the Health Orientation which was held in the HTC Building, I am new to this campus. On the day in question. I was on the campus to get my books, supplies and uniforms. One of the awards, I receive as a student is WIA thru ESC. Per inquiry of a student I learn how o get to the Financial Aid office to see [REDACTED] to get my paperwork completed. I spoke with a gentlemen without a Badge, he stated that he was [REDACTED] I gave him the paperwork, he filled it out and gave it back the whole process took 5 minutes. I turned the completed form back into the WIA representative the next day. A few days later I receive a call from WIA Rep that the form was fill out by the wrong person and also that it wasn't [REDACTED] So I pick up another form took it to the correct person which was [REDACTED] on the first day of classes and a week later I am contact by email from Dean of Health with this accusation. I take this accusation very serious as it can impact or impede my progress of becoming a Nurse. If more information is needed you can reach me at [REDACTED] I thank you in advance for your time and consideration in this matter.
